### The Premises:

nice clean place near Reading swimming pool, discrete, easy to find.

### The Lady:

The girl is exact same girl as in pics, looks much younger and fairer than pictures, very innocent type, friendly. Only downside, she is not that curvy, but very clean and young girl, she said she is exactly 22 years and I think that is correct.

### The Story:

This Saturday after contacting many ladies around Reading, finally thought of trying Becky as she was the only one replied positively for OWO and french kissing. I contacted around 20 girls in AW and viva street and most of them are not offering French kissing and some are asking extra GBP30 for french kiss which finally accumulated to GBP 100 for half hour.

When I went there were two ladies, both looked good, but I choose Becky because she looked much younger. After many bad encounters around Reading area, I never expected this much of passionate french kissing, owo and I stayed more than half hour and very enjoyable session. She never hurried and always enjoyed the session. Highly recommended.
