The Story:

When I first walked in Scarlet came in and said hello, I went up to the bedroom and walked in. She came in and ask me if I'd been here before and if I knew the prices .she told me to get naked :-p, firstly she started to massage me with oilshes got soft hands, we talked to each about things, she told me to turn over and she played with my cock whilst a fondled her breasts which were wicked and fingered her pussy a little bit. I told her I was ready and that she should go on top. We're fucking for about 5mins whilst she's massaging my balls a little bit. We changed position to doggy-style then I came.
