The Premises:

Nice lower ground flat by a commercial office part of central MK. Big bedroom. Loads of parking at the weekend as the offices nearby seem to be empty at weekends.

The Lady:

Tall (5 ft 8), beautiful lady with a fantastic pair of natural breasts. Nice long blonde hair. Speaks great English.

The Story:

Seen this young lady a couple of times and both times have really enjoyed it.

Started off with kissing. Adrienne is a great kisser (which I love). I then performed oral on her at her suggestion, before she returned the favour on me. Adrienne has a lovely technique, not constantly doing the same thing but mixing it up.

Had sex in a couple of positions and also had a massage.

All of the above was great, but there is an added bonus. The main reason I like Adrienne is her personality. She really is a nice person and is great to talk to. Seems to put me at ease.

In summary, would recommend seeing her. I believe she said she is going away on holiday for a couple of months early next year, so pay her a visit whilst you can!
