The Premises:

As described in review 120569. Clean and tidy. Nice room, very warm. Parking is very easy. Side streets have a 1 hour free allowance. Quite a few customers and the segregation could be better.

The Lady:

Not sure of her nickname but she was described as Mixed Race but she had very dark skin for that description. Normal sort of build for 5' 8" ish, not overweight

The Story:

On the phone they tell you its £35 for 1/2hr. BUT that must be for a very basic level of service. I asked for OW and was told that's £20 extra. Got it down to extra £15. During the short session I asked if I could give oral but was told that was also extra, however she did relent and allowed me a few minutes.

I much prefer to know the costs up front, BEFORE I get into the room. Once in there its very difficult to walk out.

I never completed and though she tried her best, the money negotiations just take away the mood ! I saw Vanessa (report 120569) and wish I had waited and am still wondering if she piles on the charges

Only went here because Devotions in Great Hampton Street has closed down. I miss that place
