The Premises:

The place Kasumi stays at is a nice studio on a fairly posh road! Clean and tidy with a comfortable bed so all good!

The Lady:

Short and petite with big boobs and a nice ass which is made for fucking!

The Story:

Kasumi was very good. She gave a very good blowjob, got really wet when we fucked, but the best thing about her and I mean the best thing was that she loved having her ass fucked. This is what I came to see her for and it was fantastic. She took it like a champion and seemed to thoroughly enjoy it too, as much as I did even! She is a very naughty girl and thoroughly recommended!
