The Premises:

Met Lauren at city sauna, even though it was her day off as I made a privately booking, offered a drink on arrival, we used the vip room which was very comfortable & tastefully decorated.

The Lady:

Lauren is a very sexy blonde with a fantastic figure, you would find it difficult to find a mature woman with such a good figure, great boobs & ass!!

The Story:

Lauren greeted me wearing her sexy santa outfit as I had requested, she led the way up the stairs which I always enjoy as it gives me the opportunity to have a good look at her very sexy ass. We went into the vip room, Lauren then started the meeting with some very nice kissing. After getting undressed & joining Lauren on the bed she gave me a very nice massage after which she did some wonderful oral on my now harg cock. It was then my turn to taste Lauren & I must say that she is one of the best girls I have every performed oral sex on, her pussy is nice & tight & very tasty, Lauren was having a nice time & responded with a shuddering orgasm! We then move onto full sex with us doing it doggy style & the view of Laurens nice tight ass was a sight to remember.
