The Premises:

Clean, discreet basement location in Victoria. A dimly-lit room with a comfortable bed, no creakiness that i've read about here.

The Lady:

Melina is about mid 30's, in my opinion. Big, full breasts and the blonde hair match what we see in the websites pictures. Very good English

The Story:

After trawling through the internet for what seemed like months, reading countless reviews and mulling over all the pictures, i decided to take the plunge and go for my first punt. And a punt is exactly what it was. Melina seems fairly new to the agency, had her face blurred in the pictures and did not have any reviews to show. In many ways, i went against a few of the essential rules i've read about when booking a WG. Apart from a few details in her services, i knew nothing about her.

I arrived in the area early and, as this was my first punt, i was a bit nervous. Unfortunatley, the nearby pub was under construction, so no chance of a quick drink to calm my nerves. I was let in by the maid, who directed me to the room and after a couple of minutes Melina entered. Melina is not exactly the type i normally go for. No doubt, she has a great body, but the face holds so much attraction for me. While i'm not saying she's unattractive by any stretch, what i'm saying is: maybe i set my hopes set too high. Most other men may find her 10 times more attractive than i did. I explained to her about me being a first time punter and my nerves, so she told me to relax, undress, lay on the bed and she would provide me with a massage to settle me down. The massage was very enjoyable. Melina has strong hands and dug deep into my back, before she got a bit playful and tickled my balls at regular intervals. She turned me over and got on top. What a sight. Those huge tits dangling above me, i had to have a taste. Sucking and licking on them for a while as she grinded her butt onto my stiff cock. For some reason, i lost control and cum started spurting out of me. I was pretty embarrassed, but Melina never made a big thing of it. She smiled, helped me clean up and lay next to me for a chat. She comes across as very friendly, intelligent and understanding. A really pleasant lady.

Chat over, it was time for round two. Luckily there was no early finish this time, so there was OW and RO. Her pussy is sweet and on the sensitive side, so she made some nice noises as i dug deeper. She told me to get on my back, where she rode me Cowgirl. Again, an amazing sight, as her heavy tits bounced as she made eye contact and unleashed some dirty talk on me. Love it! Doggie-style was next as i once again pushed myself in and was encouraged to go harder. Time was getting on, so she lay down, i straddled her and was told to cum all over those huge tits. I wanked myself long and hard but for some reason, there was no end product! Cum too early to start with, don't cum at all later... Just my luck.

We got dressed, quick peck on the cheek for a goodbye and i was out of there, pretty satisfied.

Melina may not have been what i was expecting or hoping for but, she pulled out all the stops to make me feel relaxed and good about myself. The massage, her understanding nature when round 1 came to an early finish and then complimenting and encouraging me, how could i not recommend her? Thumbs up from me.
