The Premises:

Familiar walkup close to Leicester Square station. Perfectly adequate for its purpose.

The Lady:

Fairly attractive Thai woman in her early thirties. Has put on weight since I last saw her, but still a nice little figure to enjoy.

The Story:

Once she gets to know you she is happy to accept whatever you want to do for enjoyment. We had the usual fare of covered oral, ball licking, rimming and cunnilingus, before vigorous sex with her riding me hard. It was good to see her again.
