### The Story:

wanting a Christmas treat phoned Sarah to book , Sarah told me as I am a regular customer would be tun up as soon as I reached Anerley , when I arrived , Violet was free and was shown straight to the bedroom , Violet subsequently joined me , looking very pretty and sexy kissed and made the arrangements , before she quickly returned.

Commenced with massaging and cuddling she is very friendly and giggly , we had lots of fun gossip about all the many parlours; that she has worked at and I have visited, removed the top of her basque omg what beautiful globes of natural large titties started with her left nipple before she told me it was so ultra sensitive she asked me to switch to the other , wonderful to roll her pert erect nipple between my lips for several minutes before I told her she had something even more wonderful , giggling she removed her basque completely to reveal her sensational WAXED pussy , started licking , she is not pse but lots of genuine gasping and moaning with pleasure as she held the back of my head pressing my face into her juicy pussy, as usual spent about 10 to 15 minutes before her pussy overflowed, and she moved her body back , she used some tissues to wipe her pussy and my face which was wet from her delicious juices , she then proceeded to suck my cock , covered but it was so good I wasn't complaining and she has a lovely smile with my cock in her mouth with her beautiful eyes looking at me .

We commenced our first bout of fucking , in cowgirl, lowering herself onto me , even to a connoisseur of pussy like me her pussy was amazing scorchingly hot ,juicy and really tight , so sensational I had to ask her to pause or I would come too quickly .

Like all the girls at Debbie's she is very friendly lots of great interaction , she told me she does a 2 girl as she is genuinely bi which sounded an amazing treat to look forward to.

I was stiffening up again and although as always at Debbie's there was no rushing , the time was getting on and we were both really up to fuck again in cowgirl , she mounted me , and her pussy was so amazing that as she rode up and down it wasn't long before I felt myself climax filling the

condom with my spunk.

She very gently and patiently removed the condom and wiped my stick cock clean and leisurely got dressed and she gave me a lovely kiss goodbye.

Sarah showed me out one guy was waiting in the other room and another was just arriving at the front door , she is an extremely popular girl and I had just had the wonderful pleasure of discovering why , so Sarah showed me out through the backdoor , kissed Sarah on the cheeks and left to head home a very happy boy after this mid Winter treat.

Happy New Year to Debbie and all the fantastic girls , looking forward to visiting again soon.
