The Premises:

The usual uninspiring complex in South Kensinton next to carnivore restaurant. Room was ok, more function than form though.

The Lady:

Spectacular figure. Slim, tall and really busty. Very attractive, looks younger than her pictures.

The Story:

I was bored with the usual GFE routine so we did a role play with Scarlett as the horny unscrupulous realtor who was 'desperate' to offload unsalable property, and myself as the unsuspecting prospective.

At the time of 'the viewing' she arrived looking incredible in her tight blouse, split skirt and killer heels. I was happy just to ogle her shapely arse as she languidly showed me around. She was slow and deliberate, making sure got a good eyeful at every opportunity.

I wasn't sure it was what i was looking for but apparently she would "do anything" for the sale; and started stripping. I was willing to compromise and we ended up putting the fixtures and fittings through their paces...

Scarlet is a young, fun, flirty lass who is game for some good clean fun. I had seen her several times before we did this role play so it was easy to set up. As always, treat with respect and consideration.

I certainly hope to be 'viewing' another property with her soon.
