The Premises:

comfortable flat in central london. Good shower but they need to fix the basin tap.

The Lady:

This girl is a stunner. Beautiful face, perfect size 6 figure (and I mean PERFECT). The photos on the website do not do her justice.

The Story:

Sassy is warm and friendly, speaks excellent English, and provided just about as good a GFE as you could hope for. I very much look forward to seeing her again. (I do not understand why she doesn't have dozens of rave reviews. I suspect that her previous clients want to keep her to themselves! This girl deserves all the business she can get.)
