The Premises:

Easy to find basement with discrete entrance on residential road close to Victoria station. The flat was very clean and tastefully furnished. The bed sheets smelt clean too.

The Lady:

The pics on the website are accurate - she is young, tall and slim, naturally tanned with beautiful, soft skin. She has long hair and is very attractive face. Nice smile and quite chatty, with excellent English. When I complimented Elizabeth on her gorgeous breasts, she said they were too small and she was thinking of getting a boob job.... DON'T DO IT Elizabeth - they are perfect as they are! Overall lovely girl.

The Story:

I'm pretty new to this sort of thing (this is my first post) and it still feels odd being asked what I want. I pretty much left myself in her hands and she started with some kissing (no tongues) and then slowly worked her way down my body for OWO, which was expertly delivered. I would have happily settle for that but after about 10 minutes of stroking, licking and sucking, I thought I should return the favor. I went down on Elizabeth and she was cleanly shaved, beautifully tight and tasted amazing. She was definitely into it and, after quite some time (I was getting cramp!), she orgasmed. Pretty sure it wasn't faked as she was forcing my head into her crotch as her muscles contracted and her body shuddered to a climax. After she thanked me and gave me a really passionate kiss, which was a nice touch.

On with the condom next and sex in missionary to start with. Elizabeth said I could come twice in one hour but I wasn't ready so we moved to different positions. Doggy was amazing, with an incredible view of her arse. Close to the hour, Elizabeth asked me if I was going to cum. I asked whether she could finish me off with a BJ, which she eagerly agreed to and removed the condom for more OWO. Super sensitive by this time and with the hour up Elizabeth used her best technique to bring me to the edge. Looking me in the eyes she asked if I wanted to cum in her mouth - how could I refuse! I came hard and she kept sucking until I almost passed out.

After a bit of a clean-up, she gave me a kiss and we relaxed for a few minutes before subtly asking me to move on... I had exceeded my hour but didn't feel rushed. Left feeling drained but with a massive smile on my face.

All-in-all a fantastic experience and I would highly recommend Elizabeth. I will be definitely go back.
