This was an outcall to a my hotel, so nothing special but perfectly clean and comfortable for the purpose.

The Lady:

There are plenty of teasers of Grace on the Midland Belles website and Twitter, without revealing her full identity, but the pictures are accurate and give a good idea about her.

Grace is an attractive blonde lady, probably in her early 40s but I am crap with ages and she may be only 25 but had a hard paper round.

She's a curvy, very busty lady but has a great figure, especially when wrapped in her corsets. She has a hidden surprise, which I won't spoil, but don't panic, it's certainly nothing you'd find in Bangkok.

If you are after a trophy, stick thin early twenties girl, then Grace is not the woman for you, if you want a sexy, real woman, then she's right up your street, with a lovely smile and twinkle in her eye.

The Story:

I haven't seen anybody for quite a while, but once I'd stumbled on Grace' s profile, I was immediately attracted and took the plunge and boy am I glad I did.

It was freezing outside and being discreet I'd told Grace to come casual and not worry about dressing up to meet me, but bring something nice to change into it. She arrived in jeans, boots and a jacket and look very respectable but quite sexy anyway. A quick chat to sort out the necessities and she popped in the bathroom to change, and emerged as a leather and stocking clad vixen.

The next two hours passed in a lovely blur.

Grace is one of the nicest people I've met anywhere, and would be great company for a social setting. She's also kinky as hell. With me she was very sensual, as that's how the meeting went.

She kisses like an angel, the proper, full on passionate kissing that you want, but a lot of ladies don't deliver, Her nails, and hands were all over me, I don't think there was a minute, where our bodies didn't touch. She gives a mean massage too.

Lots of foreplay was enjoyed and she is a very, very responsive lady when you push the right buttons. She is submissive by nature, and I took advantage of that, but when the mood takes her, she can take charge certainly. I get the impression that Grace can be whatever you want her to be and I think a lot of things are on offer with her, as long as she gets on well with you, although I didn't avail myself of them. We talked about a lot of things that she would be open to but we were enjoying what we were doing and you can't round to doing everything. She's certainly keen to find out what you like and what she can do to encourage you further.

Her oral skills are quite spectacular, and one image of her in a 69 position will live long with me.

If you had to categorise the visit I'd say it was a very raunchy gfe visit, some sensual vanilla and some kink thrown in.

I've been fortunate to meet a lot of nice lady's over the last 20 odd years (and some not so good ones) and Grace is as good as any of those.

Really nice sexy lady, great company, as kinky as you want her to be, and I haven't enjoyed my self in ages. She seemed to genuinely enjoy herself too, which is a nice ego boost for an oldish man like me !

Thanks Grace and thanks to Laura at the agency for recommending Grace and making the organising process very straightforward.
