The Lady:

French, about 5'8 with a firm, smooth body and a delicious taste. She claims she is 36 - possibly a little older but very attractive and fit. Amazing kisser and clean shaven.

The Story:

What a first time! Sammi is warm and friendly and makes you feel relaxed as soon as she enters the room in her sexy lingerie, showing off the fruits of her body. She makes you feel very comfortable and has a very natural flow of conversation. You really feel like you're having a great time with Sammi. very funny and very sexy with her accents - Sammi is French and speaks a little German as well, and her accent is delicious.

I undressed and with my eyes closed she kissed me and let me explore her body... Sammi has a goldilocks arse that she'll perfectly brush along your cock, while her breasts and nipples are pert and thick. She kisses like she makes love - softly and beautifully, and you'll savour every minute of it. Her blowjob was tantalising and she was kind enough to let me lick her out at the same time - she has big tasty lips and if I'd had a little more time I'd have taken a lot of pleasure in getting her real wet.

Talk with her and treat her right and she'll moan while you make love - Sammi is tight and fucking her was a real pleasure. Sammi loves to flirt and compliment you and you'll no doubt walk away with a bigger ego than before! Doggy style was the highlight, the fit of her pussy was just perfect. I finished on her tits and she lay there dirty talking until I came. Can't wait for my next visit - until then enjoy!
