The Premises:

Usual Ego massage place Denmark Street, easy car parking off main road, Arrived 5 mins early and was shown up to room. Clean tidy and warm with a proper massage couch.

The Lady:

Crystal arrived with the cup of tea as offered by the receptionist. A very attractive woman with a great body she is accurately represented by her pictures on the website

The Story:

Opted for the body to body for an hour so off came the underwear revealing a nice firm pair of breasts and a smoothly shaven pussy so feeling horny already I lay face down on the couch. There followed one of the best massages I have had at Ego with an excellent all over firm rub. Some reverse touching was allowed but as per company policy this is not a full service establishment. Even so there was plenty of attention to the erogenous zones which ensured a good stiffy my the time I turned over for a very erotic happy ending.

Crystal is to be strongly recommended and seems to genuinely enjoy her job, unlike one or two girls who allow no touching and give the impression that they would rather you and they, were not there.

As I said to her at the time Crystal has got herself a regular as my previous regular girl Bailey has left. All in all an excellent session and I will be back.

Treat her nicely guys and you will have a great time.

I just wish they would fix the showers so they run for more than 10 seconds before cutting out!
