The Story:

I don't normally review my visits as I like to keep things personal but I felt that I had to add to the glowing reviews of the wonderful lady. Im not going to go into all the ins and out and squelchy noises but she will give you the ultimate GFE.

Michelle is great to talk too, she makes you feel at ease from the first second you walk in. She is funny, kind and really really attentive. I suggest that everyone treats this woman right or I have a feeling she would kick your butt!!

Michelle.....I cant wait until next time and then it will be my turn to tell the funny stories ;)
