The Premises:

This was a ground floor flat located on a high street so not terribly discreet. It was near Catford shopping centre and not too far from both rail stations.

The Lady:

A blonde haired Brazilian girl, maybe a dress size 12, with very large natural breasts.

The Story:

I enjoyed the experience although I prefer slimmer girls. The upside of the punt was getting to play with Daniella's breasts. The session started with covered oral and then onto sex in the doggy position. I then removed the condom and Daniella put some baby oil on her breasts and I thrust between them. After a few gleeful thrusts I pulled out and came over them.

I think the flat is most likely shared by other girls. The black girl that let me in is probably one of them.
