The Premises:

An Industrial unit with a smart interior and there was plenty of parking nearby. I was impressed with GFE inside, nicer than it was in the Wonder Lounge days.

The Lady:

Adelle is a very cute brunette and a little bubbly pocket rocket with a naughty glint in her eye. She has curves in all the right places including a fine pair of enhanced tits and a sexy ass made for spanking. Whilst her tits are enhanced they are not too firm and lovely to play with.

The Story:

Have seen Adelle before and had great memories but she has worked mainly nights over recent times which wasn't ideal so when I saw that she was now working days at GFE in Bury I just had to go and see her again.

Skipped the massage and Adelle started with some lovely DFK which was excellent with no holding back from her. She then started to play with my now very excited cock and she was soon deep throating me. Licking and sucking my balls followed with lots of spit dribbled on to my cock just as I like it.

She had me on the edge a couple of time and I had to hold on tight so I didn't blow too early. I then played with Adelle and she got very wet and noisy until she then said she wanted my cock inside her.

On with the condom and started with her on top with some energetic cowgirl whilst I watched in the big mirror. The sight of her bouncing up and down on me will stay in my mind for some time. She then stuck her cute ass in the air and I took her from behind whilst holding onto her waist as she encouraged me to thrust in nice and deep.

Then moved to sex in mish and she put a cushion under her bum so I could get in nice and deep and again she wanted me to fuck her hard. She then demanded I came in her mouth (which we had

agreed upon at the start) and it was off with the condom for more spitting and deep throating until the evitable finish as I exploded in her mouth. She made sure she sucked every last drop out of me and was definitely worth the extra cost (£20 OWO + CIM).

She cleaned me up with no rush and had a nice chat with Adelle who is very easy to talk with.

Highly recommended and I will definitely be back to see her again very soon.
