The Premises:

Gorgeous apartment in a very nice area that is a short walk from a Central Line tube stop. Not sure whether Parking is easy as it truly is a central location. Facilities were first rate, spotless bathroom (even if I had trouble with the flush - my fault). Big soft fluffy white towels!

The Lady:

All I can say boys is good god! Christine is almost identical to her Photos, luscious long brunette hair, small but lovely perky tits, deep dark eyes, beautiful tan, fabulous arse and generous thighs. Best feature for me had to be her arse, bloody breathtaking - especially when seen perked about a pair of seamed stockings.

The Story:

So I booked Christine after much careful research. Through a few sexy emails to arrange things we agreed on a Duo experience with her VERY good friend Busty Charlotte (see my review of Charlotte under her profile). My experience on the day began with a few confirmation texts in the morning. So there I am sitting in a meeting later that morning, when my phone pings. I see a text from Christine, its a sexy pic of her in a Secretary outfit - well I can tell you I had difficulty continuing the meeting. I knew I was going to be in for a mind blowing experience. When I arrived, Christine was in a gorgeous black evening gown split right up to the thigh, giving me sexy flashes of stockings and high heels. I can't stress how damn flirty, funny and sexy Christine is. Her warmth is astounding, she's just a bloody lovely person ! Anyway I'm led down a gorgeous candle lit hallway to the bedroom area where Busty Charlotte was waiting. I nearly came right there, Charlotte was wearing a tight pink dress and purple bra with the most amazing tits bursting out wanting to be sucked ! We settled down and had a few gins and Champs to calm my nerves. Now boys, I'm not entirely new to these services, but this was my first duo in the UK and both ladies taught me plenty that afternoon. I won't go into too much detail on what we actually did, suffice to say - just book Christine and if you can Charlotte too - don't bother with other reviews, seriously just book it. A few images however that will stick in my mind forever (or until the next time) - Charlotte being licked out by Christine while I'm sucking on those amazing tits. Fucking that stunning arse of Christine's. Christine's gorgeous curvy warm body sandwiched between my legs, sucking on my cock, while chatting about Tamarind ! Can't tell you boys just how much fun it all was, just a fantastic party with a mesmerising girl and her busty friend! Thank you Christine...Caramel, Minty, Essex 'Innit' BJ will

be back soon.
