The Lady:

See Website, but is better than her pictures. A gorgeous body to die for.

The Story:

Started with a welcoming kiss and mutual fondling of each others bodies. Then Helen proceeded to suck my cock with an attentive touch!! Then proceeded to do some reverse oral and started to finger her ass, which was lovley and tight!!

After a bit more mutual 'O', proceded to enter her moist pussy with my cock (covered) and with Helen straddling me she rode my cock!! Then, without hesitation she put my moist cock into her tight ass, which felt lovely and tight and continued fucking her, which Helen commmented that she was feeling great, now her ass was full of my cock!!

After a awhile we changed postions and I then fucked her from behind and this seem to continue for ages, until I exploded!

This was a fantastic fuck and Helen and I chatted for a while and then left this wonderfully sexy lady! Treat her nice and you will reap the rewards of a great time!
