The Premises:

Own home, warm, clean and tidy. Pleasant area and parking was not a problem. Didn't ask for shower but I believe facilities are available.

The Lady:

Tow very good looking BBW. Chelsea, dark hair, gorgeous eyes not vey tall. A cheeky smile. Holly may be a tad younger but also a lovely lady. Both have fantastic boobs and great nipples

The Story:

Met at the door by both ladies dressed in fabulous sexy outfits, revealing lots of sexy boob. A kiss from the both and after the business side led to the bedroom. Wonderful sexy site as I followed them upstairs. In bedroom undone my belt and puled down my trousers, lay me on bed and started sucking, licking and teasing me. There boobs were available to be sucked and played with--smashing. They are both expert n bjs, as I approached my climax I was offered the choice of cumming over their boobs or in Chelsea's mouth. I elected for the mouth and she swallowed and sucked every last drop from me.

If these two ladies ever went for the full sex option I would be saving my money, both great lasses.
