### The Premises:

Ground floor flat in shopping area - loads of parking. Clean tidy room

### The Lady:

Amazing body, in her 20s flawless, great tits and arse. Profile says EE, she tells me Spanish? Not very good English but nice personality

### The Story:

Natalia entered the room in a tight red dress and black knickers that framed that fit arse perfectly. Off came the dress to reveal those amazing tits, however it went down hill from there, I asked her for a kiss didn't do that (even though the profile said everything except CIM and A levels), gave her nipples some attention didn't want that either! On the bed with her rubbing that great body on top of me then straight on with the jacket for some 69 (OWO no even offered). Natalia then sat on my face which I loved licking that sweet pussy. Started with me on top then I flipped her over for some slow hard doggie. She moaned which I banged her hard (not in the right way!)

It was soon over in 15 minutes, followed by a quick massage.

All in all not the best experience only made bearable by that great body - to be fair i have emailed Annabellas to ask them to get the profile straight.

Ok for a quick limited punt - wouldn't book again
