The Premises:

Sonya was working from the Ibis Hotel just around the corner from Aldgate East tube station. It is a busy hotel so nobody has a clue why you are there.

The Lady:

A tall (1.74m), Romanian girl with long brown hair and small A cup breasts.

The Story:

The session was enjoyable, Sonya was business like but friendly. Her best features are her lovely long legs and petite bum. I spent a few minutes squeezing her bum while we were both standing. She then put a condom on me and I attempted sex from behind. She was way too tight and after a struggle she climbed on top. That was also very tight and after a few strokes I opted for a slow hand job. That was performed perfectly and I had ample to time to let my hands explore her breasts and legs.
