The Premises:

Been to premises before but good communication in getting to premises good parking and entry phone with is a good safety aspect

The Lady:

Photos do not do her justice very nice body with a lovely bum and some nice body art and a piercing not off putting to me .

Quite tall and in heels nearly as tall as me and I'm over six foot

The Story:

Bambi is a very lovely lady chatty warm and very easy to get on with.have seen her before but felt I needed to write a review

Welcomed at door with nice kiss and offered a drink..shown bathroom facilities and then into bedroom some nice chit chat

And then some hugs and kissing before an excellent bj nice and sloppy bringing me close and then stopping to play with my

Nipples this carried on for sometime before reaching a mind blowing climax.she was also stimulating other errogenous areas with is amazing

This lady if you tell her what you like is wonderful and will always ask if what she is doing is ok with you not a clock watcher and if you treat her well and you will not be disappointed

Just leave me plenty of time to see her!
