The Story:

£5 to park the car in the hotel. Followed her instructions and text when inside hotel (I always feel uneasy in these hotels) she text back "shes having a shower " go to the bar and get a drink. Finally text me room number 7. She let me in wearing a dressing gown , certainly no stunner but not ugly, paid the spondoolies for owo. She unrobed and I wish I could of left there and then. I stuck it out as long as I could and finished off myself with her friend sitting on the bed (extra tenner) watching. Chelsea had the cheek to say after 45 mins that she had a client waiting outside.I quietly told that there was a client right in front of her.They are both romanian apparently from liverpool they said. AVOID.
