The Lady:

Size 10, long blond hair, blue eyes, about 25/6 exact match to photos, good body, toned, cute arse, pert tits.

The Story:

I arrived and was welcomed by her, wearing one of her outfits, a school uniform. She offered me a shower, and I accepted. She gave me a clean towel, and we went to her bedroom, where she showed me some of her toys for use. We played. We had kisses and cuddles, followed by petting, and plenty of oral. She offered to use dental dams, which protect the client from any potential STD'S during oral, and I agreed to that, as I had no knowledge of them. After that, I rimmed her, and she fingered and fucked me with a strap on. We then carried on with more kisses etc. and eventually I fucked her doggy style.

She invited me to shower again, which I did, and we chilled for about 5 minutes before I left. She was very polite, fun to be with, attentive and a real GFE.
