### The Premises:

Decent place, nice bathroom

### The Lady:

Pretty lady, pictures are a tad edited but overall attractive. Cute smile, very nice boobs, slim thick type.

### The Story:

Unfortunately this was not the type of encounter I had hoped for. Although advertising itself as a massage parlour, it is more of an escort agency. Regardless of that, the experience was sub par.

It started well, found the place easily and Adelle welcomed me in a nice red body suit. After introduction, she asked me what I wanted - a massage with FK. She asked me if I wanted sex and BJ but declined. I gave her the money, and things started.

Massage itself was very mechanical, not much enthusiasm. She was on her phone most of the time and we kept getting interrupted by the other lady in the flat. Then she went on to put a condom on me but I was surprised since I told her no sex, and she acted surprised. I asked if she could kiss me, and she declined despite knowing I wanted FK, and as the website advertises for her.

I still went for the BJ but it was also very mechanical, not very enjoyable.

The whole hour felt like a big chore for her, with very little enthusiasm. Services are also not as advertised on the website. Considering both the agent and the lady were elusive in conversation about the offering, I would suggest to avoid the agency entirely.

I also gave her 160 instead of 150 since I had no change, but had to explicitly ask for the 10 back. I'm sure no malice was intended, but it reflects the level of service offered by Adelle.
