The Story:

This was my first experience with a Brazilian lady, but certainly won't be the last. She was happy to do everything I asked her to, so it was a dream session. I don't want to describe all the detail of what we got up to, but I promise you won't be disappointed. If I was 30 years younger, I'd have proposed to her there and then. As it is, I'll be back for more very soon. Thanks for a great time, Gabriela!
