The Story:

I do like redheads and I wasn't disappointed when I walked through the door. Immediately felt at ease as Chloe is so easy going you can't help but be yourself. Lots of kissing in between chatting and joking really makes the experience more enjoyable. Now for the good bit - Chloe is a total pro. I am very difficult to get to climax, which makes some escorts a little tetchy. Chloe did not stop until the job was done - no clock watching - and no let up on her technique. Chloe has a few 'toys' in which to get you off and I can confidently say she pulled out all the stops to make sure I left happy. It was one of the best punts I've had and believe the hype when it comes to her oral skills. Thanks Chloe, I WILL be seeing you again !!
