### The Premises:

Usual Annabella's location

### The Lady:

Tallish (5ft8) slender but nice, medium-sized boobs with lovely lickable nipples. Mature, 40-something but looks in great shape. Pretty face, long, very black hair, olive skin and has dark, Latin look which I found exotic and stylish. Great personality.

### The Story:

Lola was very friendly and enthusiastic right from the start. She gave me a kiss on the lips on entering and then sat down and held my hand while we introduced ourselves. My own preference is for outgoing, friendly escorts who take the initiative and give you lots of kisses and hugs and Lola definitely ticked all the right boxes. There are lots of escorts who can give a great girlfriend experience but this was one of the most enthusiastic I've ever had. Like the previous reviewer I don't understand why she hasn't got more reviews on her profile but Annabella's have a lot of girls on their books and Lola has only been working for a few months so that might explain why. She also has a lovely personality and is interesting to talk to. I will definitely see her again.
