### The Premises:

safe block of council flats near southwark station. about 5 mins walk away. good size bedroom and decent shower.

### The Lady:

tall stunning brunette. lovely peachy arse and nice 'a' cup breasts. face much better than pics. pics make her look bit hard but she is sweet. english is good but you can see it makes her bit hesitant.

### The Story:

lovely GF experience. not dominant like previous reviews on other site but more than willing to treat you like her man.

first time i went down on her she didn't get into it like i hoped but i kept at it. when nice and wet she went on top and i came. we then cuddled in spoon position which she moaned positively for.

after chatting about life likes i got her to dance for me. it became like a dance in a club and i stood up and danced behind her so he told me to get condom and enter her doggy . it was great in front of the mirror. from there we moved onto wish were i came looking into her eyes.

it wasn't pornstar like i was expecting but the GF experience was good.
