The Premises:

Big change from the WL. Clean tidy and well run. Nice reception area and the room was fine with a good shower.

Parking not the easiest. Only access is through the front door.

The Lady:

Really good looking girl with a great shape and lovely boobs. I am not a big fan of tattoos but just enough to be sexy and OK.

Looks less than her late twenties but the web site photos are pretty accurate. Nice and curvy, not at all fat but a proper woman.

The Story:

First time we have met so it took a couple of minutes to settle down but when we did it all came together. She was always willing to please and provided a full on GFE experience.

OWO, RO lots of different positions and lots of compliments both ways.

This was a fantastic encounter in which she said she was happy to be my girl friend for an hour and I would be happy for her to be my girl friend for a year, it might take a year to get this girl out of my system...you can take it that I will be going back.

She was happy for a 5 min chat at the end before we both showered (always a god sign)and then paid me the compliment of saying it was a great way to start the day. :) DITTO !!!!
