The Premises:

A discreet & modern flat with shower facilities a short walk from Welling railway station.

The Lady:

A curvy, dark haired Hungarian girl with firm B cup breasts and a nice, round bum.

The Story:

I enjoyed the session, in part, because it is a modern flat. I started with a shower and then on my return to the room received a reasonably firm, back and shoulder massage. I was a bit tired after a long walk yesterday so was in two minds how to proceed. I started by getting my hands on Natasa's boobs and bum and then opted for sex in the doggy position. It was a bit to get it in because I wasn't stiff enough so I masturbated myself and then entered her. After a couple of enjoying sex I opted for a slow, hand finale.

This is a good venue because there seems to be frequent changes of the girls.
