The Premises:

Clean and tidy reception area with TV and room with good size bed nice shower and a very pleasant receptionist. Parking seems to be quite tight outside at that time of day but was able to use their car park.

The Lady:

As described on website very nice looking lady with a great figure and makes you feel comfy only difference from website was that she had short hair.

The Story:

Spent a very nice 45mins with this lady started with a massage on my front then owo followed by sex in a couple of positions. Tyler is a very pleasant lady who made me feel comfy throughout our time together she talked initially which was a very nice ice breaker but not too much and her service provided unrushed and brilliant.

Would go back to see definetly
