The Story:

I had been meaning to see a 00-44 girl when next in the capital as it had been over 2 years since I had done any punting. Work , travel , relationships just get in the way of my hobby.

Was in London and Pat arranged Louise a really nice looking , tall , slim euro girl.

On entry she was really friendly and loved my Rose wine that I had brought along. Quick shower and straight onto kissing and a deep blowjob. Louise was sucking quite hard so had to ask her to slow down and be gentle , this technique worked and I exploded in her lovely mouth after about 10 mins or so . It was a big load she she gagged a little before swallowing down with a gulp.

Then we just relaxed , enjoyed some wine and chatted. A nice girl who I gave some investment tips and someone who really wants to please you. She loved my travel stories of when I was in Russia , Ukraine and Eastern Europe. I loved listening to her and whilst she stroked me she moved onto another bj. This was again really good , lots of ball licking , playing with my arse and touching me in all the right places Louise definitely knows how to please. Another cum in her mouth again swallowed (this time with no trouble) and she commented that I tasted nice !

I really enjoyed my time with her and she would be great for a long punt . We played around some more before I had her in doggie playing with my balls and moaning I spunked another big load on her bum cheeks. Man she had me out 3 times with little problem and I could of gone on for a 4th but time was running out . She really turned me off and I fancied the pants off her. I said I'd be quick in the shower 2mins , she said take 3 and that made me laugh. I good punt as always with 00-44 and a kiss and good bye , I hope to see her again when in London.

She really rocked my boat as do all 00-44 girls (they know how to really please).
