The Premises:

Her apartment was the usual spot on Sloane Avenue; she shares the the place with another girl who I didn't see

The Lady:

I was surprised when she opened the door after reading the reviews on the Mermaids website. It is the same girl but she has lost weight.

The Story:

It started off well, she was chatty and friendly.

We started with what I think was a massage.. but after 5 minutes it just felt like she was playing for time to draw out the session. When we got to the main event, it was average: the BJ was good but rushed and the sex was mechanical.

As soon as i had cum, she was uninterested and clearly wanted to finish all together. We chatted briefly but it was getting late and the vibe in the room was a good reason to leave.

I was disappointed after reading the other reviews about her. I was also disappointed with the agency; when I text them back to say I was unhappy about the session - I got zero response.
