The Premises:

Fairly discreet entrance to one of those terraced places with flats inside. Nice comfy bed in the room as well as a sofa and a mirror.

The Lady:

Charlotte is a very pretty girl. I don't know why they photoshop every photo in the agency site. Apart from the ultra flat stomach the photos are accurate though.

She's about 5 foot and has a tiny figure that you can just pick up and play with, and I'm not even a tall guy. And you do get a nice site if you put her in doggy.

The Story:

I don't like going into too much detail, but I had two good sessions in the hour. A good chatty break in the middle with some drinks. She speaks English fairly well so that was good too.

All in all, I had a great time. She looked after me well, and she wasn't a clock watcher at all, and seemed quite into what she does. That's a 10 in my book.
