The Premises:

A very clean house in a quiet location about 5 minutes walk from Gants Hill tube.

A curvy Indian lady with 36c breasts. Lovely large brown areolas!

The Story:

An OK experience with a genuine Indian lady. She was a bit plumper than I expected but only moderately. She was a wee bit business like too.

The session commenced with me giving her an oil back massage. Following that she gave me covered oral and we ended the session with sex in the doggy position.
