The Premises:

Cozy flat in a big apartment block off of Old Street about 5 minutes walk from the Tube. Small but clean room. Bathroom was a tad shabby and the bathroom wasn't great but I didn't go there for a spa day!

The Lady:

Young, petite and natural blonde. Great figure, natural breasts, lovely smile and very pretty.

The Story:

Made to feel welcome but, as I haven't met her before, I get the feeling she was a bit cautious. After the formalities were over, we kissed and she helped me out my towel. She asked what I wanted and I politely replied a blow job and sex. I have read about here BJ talents and I wasn't disappointed - she has a fantastic technique and swapped between slow & fast, deep & shallow and gentle & intense.

She sucked me for a good 20 minutes but I could tell she was losing interest so I gave her a break and went down on her. She is cleanly shaved and tasted amazing. I was down there for a good 15 minutes but she didn't cum. She said it was quite rare for her to cum but I think that was just a polite way of telling me I need to work on my technique!

We then had sex in different positions for the next half-hour. She was quite enthusiastic but I got the feeling she wasn't really that into me (again, I must work on my technique) as it wasn't very passionate and the kissing was on the lips only (no tongues).

Much like Chantelle, it takes a lot for me to cum sometimes so after 20 minutes of fucking I asked her to go down on me again and eventually blew my load in her mouth with about a minute to spare. The climax was amazing and she held her mouth around my shaft for a good while after the twitching had stopped.

After that it was all a bit of a rush, as I wanted another shower and was hurried out of the door still half wet and half dressed at about 5 minutes over time.

All-in-all a good first experience with Chantelle. She is a great girl and great at her job (with BJ a

specialty). I'm pretty new to this (this is my second every punt) but she lacks the intimacy I have read about although I am sure that would improve if I visited her against.
