The Premises:

It was a hotel in Euston. Very nice and all you needed was available.

The Lady:

She is a slim and petit British girl, about 5'3 and around 50kg. Brunette and lovely eyes. Great smile too. She looks as her photos and she is a naughty little bundle of fun.

The Story:

I came across Victoria Vixen and was interested in meeting her after reading her profile. I met her up in London. She was staying at one of the hotels in Euston at the time.

She greeted me wearing a lovely purple dress and heels (as you can see in her gallery). She is as her pictures slim petite and very attractive. I was booked for 1hour. A lovely welcoming hug and kiss before the formalities were out of the way.

Then I quickly had a shower popped back out to be greeted with her on the bed in her lingerie. She was shy at first but I liked that and we seemed to hit it off from the start. DFK, was good and owo/swallow was amazing. We had sex in various position and wow! She knows how to please, especially when she was on top riding. I had such a great time. That cute ass of hers is just mesmerising. I did something I have never done before. I extended my booking to an overnight and we spent time together till the next day. Luckily her plans had changed and I was able to book her for the rest of the night.

I like how she was very sweet and welcoming. Only to find that she was not so sweet and innocent in bed. A great long stay was had with champagne and treats. She loves brownies! Look after her and I'm sure she'll return the favour.
