The Premises:

Discreet modern residential block of flats with buzzer controlled access to the second floor. Very clean, tidy and warm. Lovely bedroom with double bed and en suite shower facilities. I travelled by train. Her place is about a 10 min walk from Barking Tube station. She texted the postcode and street name and it was easy to find. There seemed to be free parking on the side streets in the area.

The Lady:

Second visit to this delightful young Polish lady who offers exceptional GFE and CIM. Arrangements were made by text havign kept her phone number from the previous visit. Her photos are entirely accurate. Blonde, size 6 or 8 with A/B cup. She specialises in GFE.

The Story:

After having showered, it was immediately into DFK. Then I undressed her top half and licked her responsive nipples. I was hard by then and she went for OW to completion with CIM. Simply awesome. Then her turn with plenty of RO to whihc she was responsive - certainly no acting. She only allows gently fingering of her beautiful labia - no deep penetration. Following round 2 of OW with CIM, there was still time for plenty of cuddles. Jennifer is chatty, very pretty with a perfect model's body and a delight to be with. Highly recommended. I will definitely be seeing her again. Well worth the journey.
