The Lady:

Really pretty, tallish girl (especially with heels) she's got a nice body and soft natural latin looks - really dreamy eyes and a sexy accent.

The Story:

Started off with some nice DFK standing up before getting onto the bed, a good gfe experience with nice use of tougues before I go down on her, got a little bit of gspot fingering in there to help her climax, then proceeds to a nice long session of OWO, lots of spit and tougue before putting the hat on. We proceeded to some steady hot sex with her on top, lots of body contact, all the right noises, onto missionary and finally came in doggie, her enthusiastically bouncing on me after I was pretty much exhausted! Had some time so she offered a massage to end the session, it was just the thing to calm me down, wouldn't have been right to walk out onto street a sweaty mess. All in all, a sexy classy passionate girl and top unrushed service. Looking forward to seeing her again, hopefully give a go with the dominatrix stuff that she specialises in...
