The Premises:

GFE Bury, is a great venue with modern decor, very clean and comfortable, pleasant rooms. Parking can be a little tricky, but lots of side streets. Leave enough time if you are driving. Two good sized towels and clean well maintained showers. Drink provided.

Excellent front of house service.

The Lady:

Alisha is a very friendly and attractive woman who has a wonderful curvy figure, but is also very trim.

I even remarked how great she would look in a bikini on a warm sunny beach.

Her breasts are large and natural. She is fairly tall in her heels.

She has a few tattoos, which I had fun in trying to read.

The Story:

I have visited Alisha twice in as many weeks, because I find this young woman to be irresistible. She has such lovely figure which is curvy in all the right places but also trim and toned. If you think of Marilyn Monroe, then you are thinking along the right lines.

I have a definite weakness for ladies like this and she went out of her way to give me a good time. Always cheery and smiling the whole time.

She commenced with some really well delivered oral and was happy to take 'on board' a few of my crazy suggestions.

Lovely view, as she lay there giving me some wonderful head and me perverting on her fantastic figure.

When she is riding on top, the view is superb with her beautiful breasts bouncing up and down. She took me nearly over the edge today in this position, although I didn't tell her because I was enjoying it too much. She has quite a tight grip in missionary, which I really appreciate and find it a big turn on.

But you might need some lube if you are biggish in the trouser department.

A nice woman, dead friendly to an old fella like me, with no hang ups whatsoever.
