As described previously.

The Lady:

Mid/Late 30s I recon. Still in good shape. Good looking girl. Not really my type as I go so 25yr old blondes with big boobs normally. I visited her based on previous PN reports.

The Story:

Fantastic. With age comes experience. Within a few mins we had progressed from the back rub to her teasing my ass, dick and balls. What followed was 30 mins of sheer bliss, she kept me on the edge the whole time; and OMG when she blows up your ass it's amazing. Now she works at HOD who offer all service, I'm so tempted to meet up with her at HOD. I'd love to much more than Ego allow!
