The Premises:

A nice little place in the centre of Milton Keynes - plenty of parking nearby.

The Lady:

Slim and well kept. Good kisser; chatty with good English and a filthy mind.

The Story:

I knew I would like this girl as soon as she walked in to the bedroom. Kisses, smiles and her hand straight to the right place! We talked about what I would like and started with OWO; followed by protected doggy and then missionary. I had already established she would do CIM and that is how we finished - a real explosion for me. She cleaned me up as I recovered on the bed - first rate!
