The Story:

fortunately I found myself in a situation that made me realise I was confronted by Kandy herself who is now going by the name of Simone. I can't begin to tell you how happy I was after years of trying to find a suitable replacement for this lady! so this is a shout out to all Kandy fans, she is back even better than before she's like a fine wine. trust me when I say she was a hard act to follow, any 1 who remembers this goddess will know what I'm saying. safe to say it was money well spent and I am now safe in the knowledge that I won't be wasting my money on any1 else. I hope this sexy little minx is here to stay this time.
