The Premises:

The Euston place. The rooms are fine. Short of space for anyone to wait/relax.

The Lady:

Many descriptions on other reviews. Very pretty, short blonde hair, slim but curvy figure. Amazing large breasts. I would just advise if you like very firm / enhanced breasts then Pixie is not your ideal - they are verging on Spaniels ears - but I and many other fans could worship them for hours if we could afford it.

Despite her physical attractions, Pixie's foremost asset is her personality - she seems to be perfect for this job. She seems to love giving pleasure and to really enjoy being intimate with old ugly guys like me.

The Story:

We did nothing very remarkable in 30 mins - no time. She is very happy to kiss, give OWO and receive RO, and during sex, I thought I could feel her squeezing me.

All this done with many smiles and chat, so you feel like there is nothing she would rather be doing than spending time with you.

Fantastic!

For a day or 2 after my visit, the Review system was clogged up, then Pixie went away so I did not bother with a Review then. Now she is back, I have put it in, and hope I get a slot on Friday ! I expect she will be very busy without my help.
