The Story:

Its nice to say that Christine is head and shoulders above other Eastern European ladies in that she is chatty, friendly and connects with you.. Feeling horny on the way home I decided to pay her a visit.. When she opened the door I was pleasantly surprised she was smiley chattie and very attentive to what I wanted which was just a bit of relief to cum twice in half hour.. After the paperwork I had a quick shower then Christine took care of me straight away then took her time rousing the old boy for a second time. She then showed off her body by playing with her self before finishing me off with her hand and mouth...
