### The Premises:

The Appoinment was at sarahs apartment, great central location,modern, clean and very inviting.

Its very easy to find and felt very safe and discreet.2 minutes from Liverpool street station

### The Lady:

sarah is just gorgeous, curvy, lots of fun and very friendly with massive soft boobs wore a black dress which could hardly contain her tits to be fair. Curvy not a stick. Which I love. Nice ass, big lips and pretty amazing

### The Story:

I said I would leave some quality feedback so I decided to do a report ;). sarah opened the door and then the pleasure began. After the formalities I quickly became the filling in a marvellous busty blonde . Plenty of kissing,not toungue fondling, sucking and squeezing. before I mounted sarah and fucked her tits she gave a very nice HJ which i think it's the best in London silky hands. Then came the penetration in few different positions but I just want cum on her tits.i really explode on top of her melons Superb.

The rest of the time was spent having relaxed conversation and swapping stories. No clock watching . I will surely see sarah again, the sooner the better! Thank you sarah :) xxxx
