The Lady:

Tall. Not like photos..must be a different girl. Had some cellulite..not very nicely shaped tits or ass which I didnt notice until too late when I had handed money over and she removed clothes.

The Story:

Dont bother with her guys. Terrible attitude..just wants to make you cum asap and get you out of there...no eye contact and smelt of bo...has some cellulite..lip sore....glamour looking girl with huge tits that are too big and not nicely shaped..not my kind of thing...seems to hate men and has no respect..dont think she showers between punters. In and out in about 15mins total. First bad punt in years..first one Ive done in years and not read any reviews on. Almost always bad when I dont read reviews however I liked the look and sound of her on the phone so took a chance. I have not seen a girl with no reviews for years and guess Id forgotten how bad it feels when you have a bad punt. My faith was mis placed. Waste of money. Wont ever see a girl with no reviews again.
